

6.008, Postsecondary-College-Level-
Preparatory Testing, Placement, and Instruction for State Universities

Board of Governors Regulation 6.008, Postsecondary-College-Level-Preparatory Testing, Placement, and Instruction for State Universities, outlines test score requirements for undergraduate admission for first-time-in-college students.

The 2023 Florida Legislature passed House Bill 1537, which was signed into law on May 9, 2023. The bill revised section 1008.22, Florida Statutes, to authorize school districts to administer the Classic Learning Test (CLT) in addition to the SAT and ACT. In addition, the bill revised section 1009.531, Florida Statutes, to allow students to be eligible for the Bright Futures Scholarship Program based on CLT scores that concord to equivalent SAT or ACT scores.

Board staff propose amending Regulation 6.008 to meet the needs of students that may take the CLT as authorized in the above statutes. The proposed amendment adds concordance scores developed by Classic Learning Initiatives to align with the minimum SAT and ACT scores required for state university admissions.

Section 7(d), Art. IX, Fla. Const.;
Board of Governors Regulation Development Procedure dated March 23, 2006.

Dr. Christy England, Vice Chancellor,
Academic and Student Affairs
