FLORIDA BOARD OF GOVERNORS
NOTICE OF PROPOSED AMENDED REGULATION

DATE: November 14, 2018

REGULATION NUMBER AND TITLE: Regulation 5.001 Performance-based Funding

SUMMARY:
This regulation is being amended to reflect the following policy changes:
　　Eliminate the bottom 3 requirement.
　　Top 3 (including ties) receive 100% of their allocation of state investment.
　　Universities that increase their score over the last year receive 100% of their allocation of the state investment.
　　A university's score that decreases only 1 year receives 100% of their allocation of the state investment.
　　If a university's score decreases or remains the same 2 consecutive years may receive up to 100% of their allocation of the state investment after presenting/completing a student success plan:
- o   The university must present a student success plan to the Board, if the plan is accepted by the Board, the university may receive up to 50% of their allocation in August/September
- o   If goals are met, the university may receive up to the balance of their allocation of the state investment 6 months after the student success plan is presented (March).

　　Starting with the 2021-22 appropriation, schools below 70 could receive up to 50% of the state investment after presenting/completing a student success plan:
- o   The university must present a student success plan to the Board, if the plan is accepted by the Board, the university may receive up to half of their allocation in August/September.
- o   If goals are met, the university may receive up to the balance of their allocation of the state investment 6 months after the student success plan is presented (March)

　　Any state investment not allocated shall be distributed to the Top 3 (including ties). The allocation will be based on points.
