## FLORIDA BOARD OF GOVERNORS NOTICE OF PROPOSED NEW REGULATION

**DATE:** November 17, 2011

**REGULATION NUMBER AND TITLE:** 6.018 Substitution or Modification of Requirements for Program Admission, Undergraduate Transfer, and for Graduation by Students with Disabilities

**SUMMARY:** Due to changes in statute, Regulation 6.018 requires amendment. The statement exempting documented intellectual disabilities from the definition of "other health disabilities" has been proposed for elimination. Language was added for clarity, and Attention Deficit Disorder/Attention Deficit Hyperactivity Disorder was added within the individual definitions. Additionally, the name of the regulation has been slightly modified in order to capture the possibilities of substitutions being made for university admission decisions.

## FULL TEXT OF THE REGULATION IS INCLUDED WITH THIS NOTICE.
