(8) Registration shall be defined as the formal selection of one or more credit courses approved and scheduled by the university and tuition payment, partial or otherwise, or other appropriate arrangements for tuition payment (installment payment, deferment, or third party billing) for the courses in which the student is enrolled as of the end of the drop/add period.

(9) Tuition and associated fees liability shall be defined as the liability for the payment of tuition and associated fees incurred at the point at which the student has completed registration, as defined above.

(12) Each FAMU student enrolled in the same college-preparatory class more than twice shall pay 100 percent of the full cost of instruction to support continuous enrollment of that student in the same class, and shall not be included in calculations of full-time equivalent enrollments for state funding purposes. Students who withdraw or fail a class due to extenuating circumstances may be granted an exception only once for each class pursuant to established university regulations. Calculations of the full cost of instruction shall be based on FAMU's average of the prior year's cost of remedial undergraduate programs using the expenditure analysis and adjusted by the percentage budget increase in the current year appropriation.
