

FLORIDA BOARD OF GOVERNORS
NOTICE OF PROPOSED REGULATION AMENDMENT

DATE: June 27, 2016

REGULATION NUMBER AND TITLE: 8.012 Academic Program Termination and Temporary Suspension of New Enrollments.

SUMMARY: Board of Governors Regulation 8.012 establishes the criteria and process for termination of existing degree programs. It is being amended to clarify the termination process and also include suspension of new enrollments in existing degree programs. This distinction will better differentiate between two actions which are frequently misunderstood or confused with each other. The proposed amendments to this regulation will:

1. Include a new criterion that program termination may be due to faculty or other resources no longer being sufficient to deliver a high-quality program;
2. Require that Florida College System institutions be notified when a baccalaureate program is being considered for termination;
3. Clarify that terminations must be approved prior to the effective term date (no retroactive terminations); and
4. Provide criteria and process for temporary suspension of new enrollments in an existing academic program.
