HB 14 - Academic Infrastructure and Support Organizations

- (1) Academic Infrastructure and Support Organizations (AISOs) provide independent technology, equipment, facilities, services, and resources for academic programs and research in the State University System of Florida. Such organizations must be approved by the board of Governors by statute and may use the word "Center" in their names. Although each AISO's operational budget base of its host institution, the Board of Governors shall determine the host

Authority: Section 7(d), Art. IX, and Section 100 of the Florida Constitution. History: New
