

**FLORIDA BOARD OF GOVERNORS  
NOTICE OF PROPOSED REGULATION AMENDMENT**

**DATE:** September 30, 2009

**REGULATION NUMBER AND TITLE:** 7.001 – Tuition and Associated Fees

**SUMMARY:**

### **7.001 Tuition and Associated Fees**

(1) All students shall pay tuition and associated fees, unless waived pursuant to Regulation 7.008, as authorized by the Board of Governors or its designee.

(2) Tuition shall be defined as the basic fee assessed to students for enrollment in credit courses at any of the state universities. Non-resident tuition shall be defined as the basic fee and out-of-state

(8) Registration shall be defined as the formal selection of one or more credit courses approved and scheduled by the university and tuition payment, partial or otherwise, or other appropriate arrangements for tuition payment (installment payment, deferment, or third party billing) for the courses in which the student is enrolled as of the end of the drop/add period.

(9) Tuition and associated fees liability shall be defined as the liability for the payment of tuition and associated fees incurred at the point at which the student has completed registration, as defined above.

(10) Tuition and associated fees shall be levied and collected for each student registered in a credit course, unless provided otherwise in Board regulations.

(11) Each student enrolled in the same undergraduate college-credit course more than twice shall pay tuition at 100 percent of the full cost of instruction and shall not be included in calculations of full-time equivalent enrollments for state funding purposes. Students who withdraw or fail a class due to extenuating circumstances may be granted an exception only once for each class pursuant to established university regulations. The university may review and reduce these fees paid by students due to continued enrollment in a college-credit class on an individual basis contingent upon the student's financial hardship. For purposes of this paragraph, first-time enrollment in a class shall mean enrollment in a class fall semester 1997 or thereafter. Calculations of the full cost of instruction shall be based on the system-wide average of the prior year's cost of undergraduate programs in the state university system using the expenditure analysis.

(12) Each FAMU student enrolled in the same college-preparatory class more than twice shall pay 100 percent of the full cost of instruction to support continuous enrollment of that student in the same class, and shall not be included in calculations of full-time equivalent enrollments for state funding purposes. Students who withdraw or fail a class due to extenuating circumstances may be granted an exception only once for each class pursuant to established university regulations. Calculations of the full cost of instruction shall be based on FAMU's average of the prior year's cost of remedial undergraduate programs using the expenditure analysis and adjusted by the percentage budget increase in the current year appropriation.

(13) The university board of trustees may submit a proposal to the Budget, Finance, and Business Operations (BFBO) Committee of the Board of Governors by May 31 of each year to establish an undergraduate tuition differential ~~tuition~~ to be effective with the fall academic term. The tuition differential shall promote

shall have flexibility in distributing need-based financial aid awards according to university policies and Board of Governors' regulations.

(a) The aggregate sum of tuition and tuition differential can not be increased by more than 15 percent of the total charged for the aggregate sum of these fees in the preceding fiscal year.

1. The tuition differential may be assessed on one or more undergraduate courses or all undergraduate courses

~~exceed 30 percent of the undergraduate tuition. This subsection does not apply to Funding Level I universities.~~

~~(c) The combination of the undergraduate tuition increase and the differential tuition increase may not be increased by more than 15 percent annually.~~

~~(d) The following categories of students are exempt from undergraduate differential tuition: students who were in attendance at a university before July 1, 2007 and who have maintained continuous enrollment and students who are beneficiaries of prepaid tuition contracts that were in effect on July 1, 2007.~~

~~(e) Each university establishing an undergraduate differential tuition shall annually report in the operating budget the revenue and detailed expenditures for improving direct undergraduate instruction and support services, as prescribed by the Board of Governors' General Office. The revenue generated from the differential tuition must be spent on direct undergraduate instruction and support services.~~
