SUMMARY: The proposed regulating condition #5 to
Ordinance 04-2014-0001

Article 10 Public Meeting Requirements

- (1) All meetings of two or more members, whether formal or informal, of the Board or its committees, or any other body established or appointed or organized or authorized by the directors and held in a public building or on public premises, shall be open to the public and shall be taken on a public basis, unless the directors or the committee concerned have decided otherwise.
