The achievements of the state universities in the past six years in meeting and surpassing performance metrics have positioned the State University System to further advance and strengthen. To promote and accelerate continued excellence in state university performance, the Board has adopted a new and exciting structure to frame and support future legislative funding requests for the SUS. The tripartite approach emphasizes three distinctive Pillars of Excellence that will provide the opportunity for the SUS to request state funding to support state universities to achieve in three areas of excellence: Performance-based Funding, Preeminence/National Rankings Funding, and Universities of Distinction. See Table 2.

The Performance-

The Board of Governors recognizes the tremendous impact of the Performance-based Funding Model and the Preeminence Funding program on the State University s rise to national prominence and fully supports the statutory process that enables state universities to pursue and achieve preeminence. Moving forward, the Board will increasingly provide clarity and significance to the SYSTEM as one cohesive entity and, at the same time, will continue to recognize and support the unique mission and strengths of each of the 12 state universities.

The Board of Governors has proposed a 2020-21 legislative budget request for the State University System for the three Pillars of Excellence. The Pillars of Excellence will serve to prioritize the academic performance and strength of the System, while enabling each university to promote and request funding to advance their individual strategic goals and core competencies Plan.
